authenticity on the QAI  
listings website.

Quality Assurance International, upon providing this certification, states that it has received the Certified Entity's application, reviewed its records, inspected its fields and/or facilities; and has determined that the certified entity identified above is certified to the USDA organic regulations, 7 CFR Part 205. In its acceptance of this certification, the certified entity warrants, that it is in, and will remain in, full compliance with the Terms and Conditions of the Certification Agent; and in accordance with general guidelines established by the USDA's National Organic Program. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked.
